

# Generators

**CALL FOR PRICING**

Model	Part #	Tier rating	Voltages available (V) – prime power rating per voltage kVA (kW)	Engine	Vulcan net
QAS 25 ID T4F	8972823100	T4F	480/240/208 V 3Ø - 25 kVA (20 kW)	Isuzu 4LE2T	
			120/240 V 1Ø – 16 kVA (16 kW)		

## Standard configuration

- Heavy duty sound attenuated enclosure with 110% fluid containment basin
- Extended run time (274 L) diesel tank with approximately 46 hour run time @ 75% load
- Canadian cold climate package; engine preheater (glow plugs), heated crank case ventilation pipes, 120 V engine block heater, heavy duty battery
- Reliable Isuzu 4LE2T T4F engine, DOC exhaust (NO DPF)
- Leroy Somer Alternator with: AREP excitation, Marine grade impregnation, CSA, class H insulation
- Multi voltage selector switch, remote start-stop connections
- Power distribution via: single phase convenience receptacles and/or a terminal bar
- Integrated single axle design for towing; road lights (4 pin flat plug), adjustable 3" pintle towing hitch, 15" wheels and torsion axle, VIN, adjustable jack stand. No brakes

Common options	Part Number	Description	Vulcan net
Skid Base Option	0000049495	Heavy duty skid with forklift pockets. Price for full generator	
Battery Charger	0000049356	120 VAC to 12 VDC battery charger 6 amps	
External cam-lock receptacles	0000049362	Factory installed cam-lock receptacles, 1 set of 5	
Cold climate louvers	1280535049	Locally mounted thermostatically controlled louvers	
Wet stacking preventer	0000049356	Automated device that increases the engine's load based on load level	
External fuel connections	0000049360	3-way valve installed for external fuel supply	
Electrical brake option for trailer	0000049456	Single axle trailer with electrical brakes	
Hydraulic brake option for trailer	0000049494	Single axle trailer with hydraulic brakes	
Loose ball coupling 2 15/16"	0000049005	Alternative ball coupling hitch	
Loose ball coupling 2"	0000049006	Alternative ball coupling hitch	
Loose ball coupling 2" (bulldog style)	0000049138	Alternative ball coupling hitch	
Spare tire & mount	0000049390	Support for spare tire & additional tire	
Stabilizer jack	0000049389	Additional leveling supports	
Toolbox	0000049391	Toolbox	
Battery cut off switch	0000049358	Battery cut off Switch	
Inlet shutdown valve	1280252816	Locally installed automatic inlet shutdown with automatic reset	
500 hour service pack	1310313385	500 hour service pack	
1000 hour service pack	1310313386	1000 hour service pack	

Effective January 1<sup>st</sup>, 2021. Supersedes all previous price lists. Price subject to change without notice.
